

# AMSMIC

ASSOCIATION OF MEDICAL SCHOOL MICROBIOLOGY AND IMMUNOLOGY CHAIRS

The Association of Medical School Microbiology and Immunology Chairs (AMSMIC) is a 501(c)3 non-profit organization whose purpose is to promote, advance and support the educational and scientific purposes of the fields of microbiology and immunology, and to provide a forum for communication among chairpersons of Departments of Microbiology and Immunology and directors of Centers and Programs or equivalent organizational units.

## AMSMIC 2023 Annual Meeting

This year AMSMIC is excited to offer a variety of opportunities which will help your company connect with the Chairs of 90 different Departments of Microbiology and Immunology at Medical Schools and Colleges of Osteopathic Medicine in the US and Canada .
